

Who Qualifies?

- Organizations within EVMWD's service area sponsoring community events that have an impact on the education and betterment of the communities served by the District.
- Any non-profit, community, professional, charitable or youth organizations that supports EVMWD's purpose to reach and educate District customers.

How it Works?

- Fill out this sponsorship application form 6-8 weeks prior to the event to allow time for the Community Relations Committee to determine your group's eligibility.
- The District will only provide one sponsorship per organization, per year and will be distributed on a first-come, first serve basis.
- EVMWD will provide bottled water in cases of 24 for qualifying organizations and events.
- Appropriate EVMWD recognition should be given through items such as a program ad, banner, table top sign or advertisement.

The Elsinore Valley Municipal Water District (EVMWD) offers monetary or bottled water sponsorships to local community organizations to educate the public about EVMWD's role in the community and to encourage water conservation.

We live in a semi-arid region so we need to use every drop of water wisely. If you check for and repair water leaks inside and outside your home, install water-saving devices and reuse water when possible, we will have more water for the future.
