

ARE YOU SERIOUS  
M?! IT'S BEEN  
ALMOST 45  
MINUTES!

this is why i  
don't like you  
showering  
here! don't  
you know  
we're in a  
drought?  
your mow's  
in a  
drought

that's not funny!  
i only asked  
one thing  
of you,  
easy on  
the  
water!

jeez  
dorthy,  
it's water  
it comes  
out of the  
wall  
why can't  
you ever  
just take  
me  
seriously?

because you  
rag me like  
you're my  
mom!

maybe people  
would listen to  
you more if you  
lightened up  
a little  
UGH YOU  
ARE SO  
inconsistent.

hey, it's not  
that serious!  
where you  
goin'?

i brought  
this

look dorthy, i'm  
sorry for callin'  
you a  
rag

that's not  
the issue (but  
you are a  
jerk)

it's just that you  
know this is  
important  
and if everyone  
started coming a bit  
and put a little  
effort into using  
less water, it could  
make a real  
difference

not just to me  
but to everyone, if  
that gives you any  
incentive to care

there's a lot of things  
we as individuals can't  
do for the planet

recycling my  
plastic bottles  
won't stop  
corporate pollution,  
yet i still try  
to just to  
do something.

and i'll try  
to conserve  
practice  
just made  
me... really  
smelly dooby

i know it was  
mean, but i meant  
it when i said you  
could probably get  
more people  
behind you  
on this  
if you  
were less  
harsh?

we're harsh on  
our resources!

that's the problem  
with people; they  
ignore the truth  
i don't tell them  
in a way they  
don't like

i'm not a  
rag, i'm fed  
up with things  
changing,  
and nobody  
listens to  
gentleness

when i'm sorry  
haven't  
been listening  
either  
i'll try to  
be more  
mindful.

ready to  
go home?

shouldn't  
i be  
outlining you  
that?

i think  
i left  
your  
door  
open  
what?

what?

what?

what?

what?
