## Assembly Bill No. 2104

## **CHAPTER 421**

An act to amend Section 4735 of the Civil Code, relating to common interest developments.

[Approved by Governor September 18, 2014. Filed with Secretary of State September 18, 2014.]

## LEGISLATIVE COUNSEL'S DIGEST

AB 2104, Gonzalez. Common interest developments: water-efficient landscapes.

The Davis-Stirling Common Interest Development Act provides for the creation and regulation of common interest developments. That act provides that a provision of any of the common interest development governing documents, as defined, that governs the operation of a common interest development, is void and unenforceable if it prohibits, or includes conditions that have the effect of prohibiting, the use of low water-using plants as a group, or if it has the effect of prohibiting or restricting compliance with a local water-efficient landscape ordinance or water conservation measure.

This bill would provide that a provision of the governing documents or of the architectural or landscaping guidelines or policies shall be void and unenforceable if it contains the above-described prohibitions or prohibits, or includes conditions that have the effect of prohibiting, low water-using plants as a replacement of existing turf.

The people of the State of California do enact as follows:

SECTION 1. Section 4735 of the Civil Code is amended to read:

- 4735. (a) Notwithstanding any other law, a provision of the governing documents or architectural or landscaping guidelines or policies shall be void and unenforceable if it does any of the following:
- (1) Prohibits, or includes conditions that have the effect of prohibiting, the use of low water-using plants as a group or as a replacement of existing turf.
- (2) Has the effect of prohibiting or restricting compliance with either of the following:
- (A) A water-efficient landscape ordinance adopted or in effect pursuant to subdivision (c) of Section 65595 of the Government Code.
- (B) Any regulation or restriction on the use of water adopted pursuant to Section 353 or 375 of the Water Code.

Ch. 421 \_\_2\_

- (b) This section shall not prohibit an association from applying landscaping rules established in the governing documents, to the extent the rules fully conform with subdivision (a).
- (c) Notwithstanding any other provision of this part, an association shall not impose a fine or assessment against a member of a separate interest for reducing or eliminating the watering of vegetation or lawns during any period for which either of the following have occurred:
- (1) The Governor has declared a state of emergency due to drought pursuant to subdivision (b) of Section 8558 of the Government Code.
- (2) A local government has declared a local emergency due to drought pursuant to subdivision (c) of Section 8558 of the Government Code.
